

# 2024 KID RANCH CSA FARM MEMBERSHIP CONTRACT

## Grower Promise:

I will use organic principles in my gardening and treat with respect the animals and soil that God has bestowed into my care. I will work diligently, doing my best to provide a bountiful harvest to members of the CSA. I will also work with each member in an understanding way, as well as communicate regularly with them regarding what's happening on the farm.

## Member Agreement:

By purchasing a CSA share from Kid Ranch CSA Farm, I understand that I am partnering in small-scale, sustainable agriculture. I further understand that there are inherent rewards and risks in agriculture, and I agree to accept the outcomes of the growing season. I will be a responsible member of Kid Ranch Farm's CSA, which includes making alternate arrangements for the delivery of my produce if I am away from home (e.g. on vacation) on my designated delivery day.
